20 September 2011 – Closing date for submission of papers, workshops and posters

23 January 2012 – Authors notified of successful papers, workshops and posters

Invitation & Call for Papers

Communication is a natural and vital part of what makes us human – it is also at the core of the speech pathology profession. The beautiful natural environment of Tasmania will provide an inspiring backdrop to the theme – **‘Communicate: Our natural state’**.

We invite you to put forward papers, workshops and poster presentations from **Friday 1 July 2011**. We welcome submissions focussed on clinical innovation, service delivery models, scope of practice and extension of our knowledge base through research and experience. Come and **communicate** your stories, ideas and discoveries in a relaxed yet challenging environment.

Tasmania’s capital, Hobart, is a vibrant city nestled in the foothills of the majestic Mount Wellington. Take this opportunity to explore World Heritage listed forests, untouched coastlines, Australia’s highest sea cliffs and picturesque beaches. Come and indulge in our fine wines, fudges and chocolates, award-winning cheeses and unique dining experiences. All while breathing some of the cleanest and purest air on the planet.

We look forward to **communicating** with you in Hobart for the Speech Pathology Australia 2012 National Conference.

How to Submit

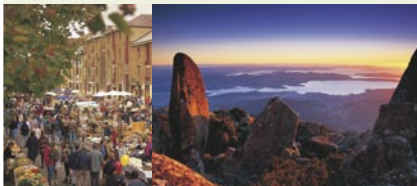

From Friday 1 July 2011 guidelines and details on how to submit can be found on the website:

www.speechpathologyaustralia.org.au

Submissions must be received by Tuesday 20 September 2011.

You will be notified about the success of your submission by Monday 23 January 2012.

Submissions accepted by the Scientific Program Sub-committee will be grouped under nominated themes for presentation at the Conference. This will assist delegates to plan attendance at sessions that match their professional needs.
